Oleh Starko

Graphic / Visual / Motion / UI Designer

SUMMARY

Graphic, motion, visual and UI designer with extensive experience creating visual content for digital media. I develop crisp, engaging and user-friendly graphics, interfaces, animations and brand visuals. I am skilled in working with a variety of styles and formats, from social media content to full-scale motion and UI projects. I enjoy transforming ideas into strong visual stories and working with teams to bring creative concepts to life.
